## IF YOU CANNOT RECYCLE IT, MAKE IT BIODEGRADABLE

### STRETCH FILM

Our stretch film is made up of 100% high quality material.

It can withstand considerable amount of force and at the same time is recyclable and biodegradable.

### GENERAL PLASTIC

Our Plastic bags make it easier for your household environmentally friendly journey towards a more sustainable lifestyle.

### AGRICULTURAL FILM

Our Biodegradable Agriculture film is suitable for any application including agricultural mulch-film, industrial applications, packaging, mailing and waste management.

# BUY YOUR BIODEGRADABLE PLASTIC NOW !

ECO-FRIENDLY

RECYCLABLE

Our products are high quality biodegradable products and are 100% recyclable.
